Kerala Academy for Skills Excellence

Employability Center Monthly Report December 2020

National Employment Service (Kerala State) is now on diversification mode, launching different youth friendly programs across the state. Kerala Academy for Skills Excellence (KASE), the State Skill Development Mission of Government of Kerala, under Department of Labour and Skills, is implementing various skill development initiatives in Kerala to help develop an industry-ready workforce. Department of Labour & Skills, Government of Kerala has taken a revolutionary step by converting Employment Exchanges into Employability Centres. Employability Centers are the premier unit of the Department to support the youth for the solace of helpless jobseekers and to help prospective Employers.

Concerted and systematic efforts are required to make the youth employable and to place them in private sector by making them competent to avail the employment opportunities. Presently 10 Employability Centres have been set up in the districts of Ernakulam, Kannur, Kozhikode, Palakkad, Kollam, Kottayam & Alappuzha, Thrissur, Malappuram, Kasargod besides the Employment Exchanges in the State. The core objective of Employability Centres are identifying employment opportunities in private sector and providing placements suited to the profile of candidates

Skills Acquisition and Knowledge Enhancement for Livelihood Promotion (SANKALP): Mahatma Gandhi National Fellowship – Signing of Memorandum of Understanding with Ministry of Skill Development and Entrepreneurship – Reg.

KASE signed Memorandum of Understanding (MoU) with Ministry of Skill Development and Entrepreneurship (MSDE) regarding the implementation of Mahatma Gandhi National Fellowship (MGNF) in Kerala, as part of 'SANKALP' Project - a World Bank funded initiative of MSDE. The two-year Mahatma Gandhi National Fellowship (MGNF) programme is designed to address the challenge in terms of unavailability of strong institutional mechanisms at the district level. The programme seeks to create a cadre of individuals, and train them in a blended academic program that provides both academic inputs and field level immersion at district level. This shall contribute to the creation of a district level ecosystem to support skill development.
