Skill Registry Mobile Application -

Skill Registry is first of its kind mobile application owned by the Government in India. Skill Registry is a mobile application developed to avail the services of skilled workforce for the daily household and commercial needs directly to the public. The application has been developed by KASE (Kerala Academy for Skills Excellence) in association with Industrial Training Department, Kudumbashree, Panchayat Department and Employment Department.The application provides an opportunity for skilled workers to find day to day jobs and making them capable to find their daily work by themselves. The application acts as a platform for the customers to find their daily job requirements without any intermediaries. Initially the app was launched in Thiruvananthapuram district but now the application has spread its wing across the state of Kerala and has started its operation in all the 14 districts. Skill Registry application has the following numbers of services in 42 service sectors namely AC, Washing Machine Service And Repair, Electrician, Plumber, Carpenter, Painter, Coconut Climber, Day Care-Child Care In Home, Driver, Gym Trainer, Welder to name a few.

• The Grama Panchayat plays a vital role in creating awareness about different projects of Government in the root level. Hence, meetings were convened with the Grama Panchayat presidents to discuss about Skill Registry and their role in creating awareness and mobilizing registration in Skill Registry.

The online meetings were conducted with grama panchayat presidents of Alappuzha, Kollam and Thiruvananthapuram on 07th September 2020 as per the Schedule given below:

Sl No	District	Meeting conducted data
1	Alappuzha	7th September 2020, 10:30 am
2	Kollam	7th September 2020, 12:30 pm
3	Thiruvananthapuram	7th September 2020, 2:30 pm

## State Job Portal (http://statejobportal.kerala.gov.in/)

Department of Labour and Skills, Government of Kerala has launched a unique single window facility for job seekers and employers to boost employment in the State. State Job Portal is envisaged to be a one-stop solution or all-inclusive support system for job search and recruitment. State Job Portal provides you with end-to-end recruitment solution starting with job posting till final offer letter issuance. Job seekers can update their information on the portal to find the right job for them and the employer can find the right candidate for them by entering the job openings portal. Currently, there are 230 employers, 82385 jobseekers and 101 Partnered Institutes registered in State Job Portal. The portal also includes job seekers and employers' registration, Data Analysis, Integration with LinkedIn, Dig Locker System, Learning Management System (LMS) and Job Blog, Automatic resume building.

Implementation of e-Office at Kerala State Institute of Design . Kollam

Kerala State Institute of design (KSID) was established in the year 2008 with the objective of promoting the traditional industries and artisans community to enhance the level of their livelihood by giving modern design support to their products. KSID was merged with the Kerala Academy for Skills Excellence (KASE) and functions as a Unit of KASE since 2014. KASE has implemented the e-Office system with effect from 1st June 2020. As KSID is a unit of KASE, implementation of e-Office at KSID office, Kollam is also initiated with the support of Kerala State IT Mission for the smooth processing of files between KASE and KSID.
