State Job Portal
(<http://statejobportal.kerala.gov.in/>)

Department of Labour and Skills, Government of Kerala has launched a unique single window facility for job seekers and employers to boost employment in the State. State Job Portal is envisaged to be a one-stop solution or all-inclusive support system for job search and recruitment. State Job Portal provides you with end-to-end recruitment solution starting with job posting till final offer letter issuance. Job seekers can update their information on the portal to find the right job for them and the employer can find the right candidate for them by entering the job openings portal. Currently, there are 232 employers, 83,947 jobseekers and 101 Part-nered Institutes registered in State Job Portal. The portal also includes job seekers and employers' registration, Data Analysis, Inte- gration with LinkedIn, Dig Locker System, Learning Management System (LMS) and Job Blog, Automatic resume building.

Association of State Job Portal with Universities in Kerala

KASE has initiated the process of integrating university database to State Job Portal. By this process, students passing out of various institutions in Kerala will get a direct access to the portal. KASE has provided an XML format by which the universities can share the data and the data will be integrated to the portal by KASE. The students will then receive an automated email with login credentials and SMS about their registration in State Job Portal. The students can then complete the registration and can apply for jobs that match their qualification and experience.

Skill Registry Mobile application

Skill Registry is first of its kind mobile application owned by the Government in India. Skill Registry is a mobile application developed to avail the services of skilled workforce for the daily household and

commercial needs directly to the public. The application has been developed by KASE (Kerala Academy for Skills Excellence) in association with Industrial Training Department, Kudumbashree, Panchayat Department and Employment Department. The application provides an opportunity for skilled workers to find day to day jobs and making them capable to find their daily work by themselves. The application acts as a platform for the customers to find their daily job requirements without any intermediaries. Initially the app was launched in Thiruvananthapuram district but now the application has spread its wing across the state of Kerala and has started its operation in all the 14 districts. Skill Registry application has the following numbers of services in 42 service sectors namely AC, Washing Machine Service And Repair, Electrician, Plumber, Carpenter, Painter, Coconut Climber, Day Care-Child Care In Home, Driver, Gym Trainer, Welder to name a few. The application is hosted in Google Play store. Skill Registry works with network data and it also uses the mobile network for calling service providers directly from the app.

Meeting with Keltron regarding updating Skill Registry Mobile Application

KASE has conducted a meeting with Keltron team regarding developing an IOS version of Skill Registry and also for upgrading the current application. The updates will surely provide a better user experience to both customers and service providers.

Skills Acquisition and Knowledge Awareness Livelihood Promotion (SANKALP)

Government of India has launched a World Bank assisted project Skills Acquisition and Knowledge Awareness Livelihood Promotion (SANKALP), under Ministry of Skill Development and Entrepreneurship (MSDE), to strengthen the institutional mechanisms for skill development and increase access to quality and market relevant training for youth across the country. The Skills Acquisition and Knowledge Awareness for Livelihood Promotion (SANKALP) project aims to implement the mandate of the National Skill Development Mission (NSDM), through its core sub-missions. The main objectives of

the project include strengthening institutional mechanisms at both national and state levels, building a pool of quality trainers and assessors, creating convergence among all skill training activities at the State level, establishing robust monitoring and evaluation system for skill training programs, providing access to skill training opportunities to the disadvantaged sections.

As part of the SANKALP project setting up of District Skilling Committee and District Nodal Center at the district level is essential to facilitate on-ground implementation of various skilling initiatives of Ministry of Skill Development and Entrepreneurship for ensuring quality and consistency in the skilling eco system. The District Skilling Committee acts as the focal point and local facilitator for ensuring and sustaining skilling at the district level.

To strengthen the institutional mechanisms at the state level, encourage demand driven skill development and to ensure convergence in demand and supply in each job role in the district level, annual District Skill Development Plans (DSDPs) shall be developed by each district with the District Magistrate/Collector as the overall in charge for the plan. A functional DSDP shall include components regarding data driven demand and supply side analysis of the skill development and livelihood ecosystem in the district. KASE in association with District Skill Committees had submitted 9 DSDPs in the month of September 2020. The following DSDPs has been submitted in the month of October 2020:

- Pathanamthitta
- Thrissur
- Kozhikode
- Palakkad

Upgradation of 10 ITIs on par with International Standards - KIIFB funded project

Government of Kerala has mandated Kerala Academy for Skills Excellence (KASE), the State Skill Development Mission under the Department of Labour and Skills as the 'Special Purpose Vehicle' (SPV) for Up-gradation of 10 Industrial Training Institutes (ITIs) on par with International Standards. The project was announced in connection with

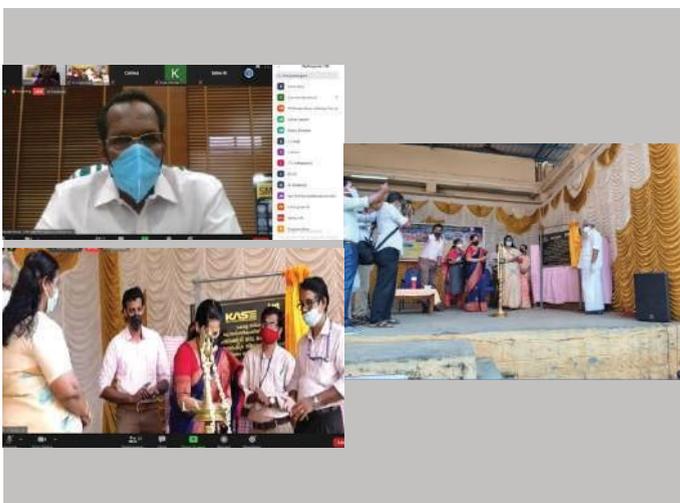

the implementation of projects under the Special Investment Plan under Kerala Infrastructure Investment Fund Board (KIIFB) financing. The Detailed Project Report (DPR) for the project has been approved to be funded for an amount of Rs 82.498 Crores.

In the month of October 2020, the inauguration of work commencement was conducted for following 3 ITIs following COVID protocol.

1. Government ITI Chengannur – The inauguration of work commencement for the ITI was conducted by Hon’ble Minister for Labour and Skills, Shri. T.P. Ramakrishnan, through Video conferencing, on 28.10.2020 in presence of MLA Shri. Saji Cherian. The work is scheduled to be completed within 18 months.

2. Government ITI Chalakkudy – The inauguration of work commencement for the ITI was conducted by Hon’ble Minister for Labour and Skills, Shri. T.P. Ramakrishnan, through Video conferencing, on 30.10.2020 in presence of Chalakkudy MP Shri. Benny Behanan. MLA for the constituency Shri. B.D Devassy presided the occasion and it was announced that the work is scheduled to be completed within 12 months.

3. Government ITI Kattappana – The inauguration of work commencement for the ITI was conducted by Hon’ble Minister for Labour and Skills, Shri. T.P. Ramakrishnan, through Video conferencing, on 30.10.2020. Hon’ble Minister for Electricity, Shri. M.M Mani, was also present for the occasion along with MLA Shri. RoshyAugustin. The work is scheduled to be completed within 8 months.
